Sir,

I have the honor
to inform you that the line of telegraph to 12th
Is is not yet completed, had a force been
there, as there ought to have been this afternoon,
I could have completed it, as I obtained
from Mr. Catbait, a man who was able
to tap the general telegraph, I had to dismiss
him however for want of a force, and order
him to be back at 12th Is tomorrow morning
at 10 o'clock. A. You will therefore at that
hour have at 12th Is six or two negroes,
and order Messrs. Weaving & Elliott to be there
at the same hour with, an insulator, a file,
and a block & tackle.

Genl B. Cooper

Adjutant General

General

In behalf of Maj V. W.

Memminges. As Adjutant General I ask leave to submit to you the following. Maj Memminges has been acting as a 1st Adj General in the army under Genl Pemberton at Vicksburg. Upon being notified of the exchange of the prisoners taken there, he was about to report to you for orders, when he was notified by Genl Pemberton that he expected to be assigned to duty and that he must look to himself in readiness to serve with him. Accordingly when Genl Pemberton went down to Atlanta, Maj Memminges went there to meet him, and was again informed by Genl Pemberton that as no assignment of him to command had

yet been made, he might go to his
home on leave, until he should re-
ceive notice from Genl. Pemberton.
He has accordingly returned to my
family residence at Flat Rock
North Carolina, where he is waiting
orders. He does not wish to take
any step which would seem to indi-
cate a disposition to leave his old
Commander, while there is any pros-
pect of his being assigned to duty. But
he desires to stand right at the same
time with the adjutant General; and
report himself to you as ready for
duty whenever you may see fit to
order. I beg leave to add, that the Gen-
eral in his report, has recommended
him for promotion.

Very Respectfully
J. C. Hemminges.

Dear Sir

Will you allow me to
trespass upon you again in behalf of
my son Major H. W. Cunningham, late
chief of Genl. Pemberton's Staff. You had
the kindness to say you would assign him
to duty in N. C. I wish to say to
you that he has lately married and his
wife is residing at my residence at
Hart Rock, N. C. between Greenville
N. C. and Asheville. N. C. I write to re-
quest that if possible he may be assigned
to duty at Columbia or Greenville.
I suppose Charleston to be out of the
question, because I presume Jordan
would persecute away any one connected
with the Administration. But as I have
a house there, it would be preferred.

Very truly Yrs

H. W. Cunningham

allow me to say that my son is a well

Sir

I have

the honor to submit the following for your
consideration, since assuming charge of this General
Hospital, it has come to my knowledge, that there
is a large amount of clothing belonging to
deceased soldiers in store here, although no
orders have been received at this office by which
I could determine what disposition should be
made of them, nevertheless having seen a copy of General
Order No 49 of the G.O. April 23^d 1863, specifying the duty
of Surgeons in charge of hospitals, I have deemed
it my duty respectfully to communicate the fact to you
and to request that I may obtain such instructions as
you may consider advisable,

Dear Sir

I respectfully present to you the enclosed application for extension of leave from my son Surgeon Meniminger which has been nine days on its way. I have to add to his statement, that when his leave was about to expire, I advised him to apply for an extension, because he was unable to resume his duties or stand the journey back to his post. He however determined to make the attempt, and crossed the mountains to Fayetteville, where as I expected, his disease arrested him and compelled him to return to his home. I can assure you that there is no officer under your command who is less disposed to avoid public duty, and I can with perfect confidence ask of you the extension of his furlough. Dear Sir,

Sir—

I was honored an
appointment as Chaplain of the 49th
Infantry, 1st Division. The circumstances
of my appointment are such as to
induce me to decline its acceptance
and wish or expect to be assigned
to the 1st Div. Nor did the officers who
recommended me—all being under
the impression that a gentleman had
been appointed to be recommended
by the 1st Div. for appointment
as Chaplain having been with the Regt
and serving as Chaplain ever since about
the 1st of June. Under the circumstances
I would respectfully decline its
acceptance and tender my resignation
of the position of the 49th Inf. Under
these circumstances should a vacancy
arise should I be honored in accepting
an appointment of Chaplain.

I am Very Respectfully
O. E. Mansfield

Sir

From an examination
of the Inspectors Report, I find that
the Troops of this Corps are repre-
sented as still requiring a large
amount of clothing. This is an
error, which I have corrected
upon the Report, by an amend-
ment. With the exception of
a few Paules & Shirts the Estima-
tes forwarded on the 18 of Decr/64
have been very nearly filled.

From the quantity of clothing
issued during the past two months
The Troops ought to be well clothed.

I have the honor
to apply for a leave of absence for thirty days
from 13th inst., and request that you will obtain
the assent of the Comdg. General to the same. My
object is to visit my wife's family in Virginia.

I make this application because I have been
steadily confined to my duties for more than a year,
because I can be spared during the present season
of inactivity & because Capt. Gordon M. Genl. can at-
tend to all my duties during my absence. Should
circumstances render my presence necessary during this
period, I will promptly return to my post.

General Samuel Cooper
Adj't Genl

General,

I respectfully ask that my Adj't Genl Capt Geo. A. Mercer may be promoted to the rank of Major. This officer has labored with unremitting assiduity in the discharge of his duties, & I can unhesitatingly recommend him to the most favorable consideration of the Dept. as in every way competent for the position which he occupies, & entirely worthy of advancement. In a large Military District like this, with many scattered & independent Commands, the labors of the A. A. G. are extremely onerous. These labors have been performed most faithfully & cheerfully by the present incumbent, even at the sacrifice of health, & I trust the Dept. will consider him worthy of the expression of its approbation by granting the promotion asked -

I have the honor to be, General,

Summit August 28 1862

His Excellency J. Davis
President Confederate States
Sir

With much

diffidence, do I venture to address you,
to bring to your notice, a matter which in
common with our old citizens, I deem of
great importance to our city, & the position
of our Confederacy. As one, whose whole
heart, and best exertions, are enlisted in
our glorious cause, I solicit your serious
consideration of the subject, and if
conducive to the good views, I say it may
meet with prompt & favorable action. The
Department of South Carolina & Georgia
is too extended, to be properly attended to
by one Major General, on all its extensive
and requirements, and the appointment
of a Major General for Georgia, is in my
opinion, a matter of vital importance.
I would now remark that nothing is
intended against Genl Pemberton, who
I think, one of the best, and most efficient
officers in the land, and eminently qualified

for the present is just. There is but little
doubt as to the ability of the man who
will be sent to the Georgia, with a decided, an overwhelming belief,
which I pray from my innermost heart, may
be the result of our expected conflict. It is
the part of prudence to prepare for all
and every contingency. I beg that you
will appoint Gen. Hugh W. Mercer as
Major General, and make the Department
of Georgia, separate and distinct from
South Carolina. Of the fitness and
qualification of Gen. Mercer for the
appointment, I need not speak; you are
as well or better acquainted with his
fitness, than I am. I can only say, he has
the confidence of our Community, and
the appointment would meet their entire
and full approval. I beg that you will
excuse for liberty, I have taken, in
addressing you being comparatively a
stranger to you; but as an old Citizen,
fully conscious of being influenced by
higher motives, than mere personal
regard for Gen. Mercer, I have considered
it my duty, to bring the subject to you.

Considerations, You will please accept
the assurance of my highest regards, &
with my warmest prayers, for your guidance,
in all the difficult duties, which may
devolve on you, in the important position
to which a Rens God has called you

Yours Most Respectfully

Jr. W. C. C. C.

Rec'd Sep 11/62

Savannah 28 Aug 1862

My dear Sir,

This note will be handed to you by Col E C Anderson, who has already had the honor of being introduced to you & whom I have requested to call upon you in relation to a matter personal to myself, to which I hope you may be disposed to give a favorable consideration. May I venture to suggest that, in view of the great importance of the two ports, Charleston & Savannah, there ought to be a Major General to Command here as there is at Charleston & that the Command ought to be independent. I respectfully submit that it is more than any one man can do to attend properly to both Commands.

I will only add that I am now exercising & have for a long time exercised a command much beyond that of a Brig General. Indeed ever since I was assigned to this command, I have been, as I believe, the only general officer in the State of Georgia. With the responsibilities & anxieties connected with such a command I should be greatly gratified to have the rank also.

With the highest respects & regard

Most truly your friend

A M Mercer

Dear Sir

My friend Colo.
Chas L Schlatter will present
this note & ask of you an au-
dience of a few moments -
I beg to recommend the Colonel
to your kind consideration as
a member of my volunteer staff.
He will wish to explain to you
the position of the Brunswick
& A R R Co. which has been em-
ployed by the Govt & operated
as a military necessity under
Col Schlatter's immediate super-
intendence -

very truly Yrs

Savannah 22 Sep 1863

My dear General,

Hoping that this note will
not intrude upon your business engage-
ments, may I ask of you a few moments
to consider a matter entirely personal to my
self.

I entered the service still content
to be free from any motive of personal ambi-
tion. I certainly have no ulterior military
views after the war shall close. I have
sought to do my duty faithfully & conscien-
tiously to the best of my ability. My own
private interests have been ~~completely~~ ^{completely} neglected
therefore so, while constantly engaged in
public duties. Indeed so far as pecuniary
considerations are concerned I shall in all
probability find myself much poorer at
the close of the war than I am at its commence-
ment. but for this I care nothing. I do not
get me a thought, if the great Cause of the South
shall succeed, I shall feel repaid a thousand

held for all that I could have done for its
furtherance, had the fortune of war afforded
me the widest opportunities for exertion & I
had possessed the abilities to improve them to the
utmost. As to the little I have been enabled to
do, I can only claim that it has been done con-
scientiously. While, however, I can truly say
that I am actuated by no selfish considera-
tions in serving the Confederacy, I at the same
time cannot avoid feeling some sense of matu-
rification when I see so many younger men than
myself, my juniors in rank, every day promoted
over my head, & some of them surely without need
claim to be thus distinguished. I have served
from the commencement of the war without ever
having had a leave of absence for a day & I
now find myself not far from the head of the
list of Brig Generals. Under these circumstances
I ask of you, General, if you feel free to do so,
to recommend my promotion to the War Dept.
I know of no proper official mode of seeking
promotion but thru you as my immediate superior
or instead of in any other way bringing the subject
to the notice of the Dept. Consistently with military

propriety - as I understand it promotion are only
made on the recommendation of immediate Com-
manders - While I do not desire to invoke pri-
vate feelings at all, either here or elsewhere,
I hope I can appeal to your native kindness,
General, to aid me in this application (by making
yourself the recommendation asked) that is, if
you see no cause to decline doing so, or if the
professional disqualification on my part, as you
may judge, or for other considerations sufficient
for your own guidance - Should you see any such
cause, General, pray do not hesitate to say so.
As far as the authorities at Richmond are con-
cerned, I have reason to believe that your re-
commendation would ensure the promotion -
Mr Davis, I believe, would gladly do what he
can in this direction, if properly presented to him,
I recommended this the appropriate channel
He would not personally favor me, this I person-
ally find, but he would not deny me further &
that is all I ask - More than a year ago, both
he & Mr Seng of War said to a friend of mine that
the officer in command of the large & recently entered
Batt ought to have the rank of a Major Genl.
& in truth I have constantly for over ten months
served a Command much above that of a Brig
Genl with all the responsibility & anxiety connected

therewith - very much more than I should have had
to say, if commanding a Brigade in the field.
If the Govt. have thought me worthy to still think
me worthy to be continued in this Command, it is
nothing more than just that they should confer
upon me the rank suitable to the position & as
Capt. & while waiting I will take the opportunity
to say that my Adj. Genl. entered the service in
the ranks at the very beginning of the War & has
now served two years in my staff with the
rank of Captain, while almost every officer a
head him is being promoted. I can confidently
assent that there is not a more intelligent or
faithful officer in any Dept of the service. On
his account also I should be gratified to ob-
tain promotion -

I hope, General, I have not
bored you with this prolix statement, & would
charitably rub it down to the account of some
professional pride left in an old soldier's head
proud & pardon accordingly - I have conferred with
Subm. to whom I mentioned the subject when he
was here - I congratulate you with all my
heart upon the most gallant & the most successful
for you have been enabled to make of Charleston.
I sincerely trust that, by the blessing of God, our brave
val & ardent enemy will never succeed in getting pos-
sion of the City - a City specially devoted to the heat
& company - with suburbs of the faithful & faithful
General. Yours &c. H. H. H.

instructions with me to establish certain signal sta-

understood to be under the direction of the Signal Corps,
in order that the signals may be uniform, I desire
that the General will send the signal officer of the

Genl. A. Cooper

Adj't & Inspector Genl.

Sir

I herewith
tender my resignation of the office of
Chaplain of the 47th Regt Va Infantry, to which
I was appointed on the 1st of May 1862. My rea-
sons for this are, first - that the Board of
our Church (Pres. Episc) require me to con-
tinue my studies for Ordination to the
Priesthood; having been Deacon for more ^{than}
three years, & so closely occupied as a Missio-
nary to the Negroes in Georgia & Chapl-
in the Army, that I have had no time
to complete my studies: - Secondly
It is necessary for me to remove my wife
& family from the lines of our pickets on the Rapp-
ahannock, & provide a home for them in some
safe place, because she has been suffer-
ing from an attack of Dropsy for
more than twelve months & her

recovery requires quiet & safety
from the Cannonade, to which
he has been twice subjected &
ready.

Very Respectfully
✓ Jacques M. Meredith

Surg W. R. Cannington
Med. Director

Albion Academy Hospital
June 20th 1863

Sir I have recently sent
to the Surg. Genl with "Certificates of Disability"
Three Soldiers from this Hospital, whom I regarded
entirely unfit for service - indeed an innumerable
list to the Surgeon. Today I received one of these
"Certificates" from the Surg. Genl's Office returned
with some endorsement calling his attention to
the fact that in my ignorance I had violated
Genl Order No. 69 in committing to the care of the
Soldier his own "Certificate of Disability".

I regret this - but not having before received
any instructions as to the proper interpretation of
this Order I had supposed it was intended to
facilitate the discharge of disabled Soldiers
detached from their commands, and in cases
where the Commanding Genl is not accessible
I thought it the duty of the Surgeon, when
recommending the discharge to send the Soldier
to the Surg. Genl. so that he might examine
him for himself and determine the propriety
of the discharge. I have been accustomed in
the field to have my opinions in these cases
submitted to the sanction of superior Officers,
and my score is attributable to a desire to do
justice to the Soldier and at the same time promote
the good of the Service.

Very truly respectfully
W. R. Cannington
Surg in Charge

Please inform me what disposition has
 been made of two the men whom I sent
 with papers similar to the one returned? by
 name W. Morris C. C. 57th N. C. Jan 5th and
 B. H. Walker C. E. 53rd Va. Vols. Jan 12th - I
 had supposed they would be discharged with
 out difficulty

Please inform me also whether a
wounded officer in Hospital and out of
 the reach of his Court-martial could be fur-
 longed by the Army Council in any recom-
 mendation - and whether he ought to
 independent his papers sent sent

Yours very respectfully
 Mendenhall

Dear Sir

Leamington July 3rd 1861

I made a requisition upon
Mr. Cabell for an Ambulance about the
8th of July, and have not yet received it.
In your letter of the 18th inst you told me
that it should be furnished, and I much
take the liberty to remind you of the promise.

I have never had less than 5 Companies
under my charge, and generally more, yet
I have not been furnished an Ambulance
for the transportation of the sick. The
Quartermaster at Fairfax Station has
been the use of one for the week during
which the Battle took place, but he has
since taken possession of it. If one can
be furnished I shall be greatly obliged.

Sir

I respectfully solicit leave
of Absence for 25 Days

Under Orders from the Med.
Director I have recently transferred most
of the sick & wounded from this Hos-
pital to Richmond. The few remain-
-ing can be entrusted to the care of
the Assist Surg. without detriment to
the service. I cannot anticipate
a better opportunity than the present
to attend to some private business at
any home in Baltimore Co Va. This
consideration induces me to make
the application now

I am, Sir, with great respect

H. M. Meriwether Capt. reg. 2nd M. Faulkner Regt. 3rd Brigade
2nd Div. Forrest Cavalry having appeared before this
Board for examination. We certify that we had carefully
examined him and find him unfit to perform milita-
ry service in the field in consequence of Phthisis
pulmonalis, and Rheumatism. Exposed to the inclemencies
of the weather and inhalation of dust always aggravate
the disease and we would therefore recommend that
he be relieved from field duty.

Sir

Enclosed please find my monthly
& quarterly returns for the 3^d quarter ending 30 of Sept 1863.
Consisting of monthly summary statements from 6. monthly return of
~~business~~ of purchases from 8. with checks & my account
current from 9. my account current shows the Confederate
State owe me \$490⁰⁰ on paid which was caused by the currency
being inside of the Treasury lines in that year. and it was
impossible for me to get through to get funds. Consequently
had to be advanced as I did not want to leave any uncollected
bills behind.

Very Respectfully Yours

He is at the day awaiting the decision, and it is very important if he is to be appointed that he should at once return to Wash.

report to me as Com Agent,
 or any knowledge he has been
 on duty under the Army Chief
 of Subs in this Dept before
 his assignment to me was
 regarded as an efficient officer
 since reporting to me he has
 been actively engaged, chiefly
 in charge of large lots of cattle
 at the solicitation of Maj. G.B.
 Dyer Chief Subs & Gen. H.D. Lee.
 He was temporarily assigned to
 duty with him to assist in
 subsisting the large Cavalry com-
 mand then in this state, and
 with whom he is now acting.
 I regard Agent Meriwether as
 services as valuable to this
 Dept. particularly so for stock,
 and the sort of men that can
 be used in cases of emergency
 being prompt energetic & I be-
 lieve honest. I therefore
 recommend that he be Com-
 as Captain & a. C. S. and
 ordered to report to me.
 I will need such an officer
 on duty near the Miss. River
 to aid in crossing stock.

Major

In February 1862 I was appointed Post and Depot Commissary at Island No 10 Tenn by Major Genl J. P. McCown, made Bond and Enclosed is - with an Order from Genl McCown to The War Department asking that I be Commissioned as Capt in The Commissary Dept. And my Commission sent to him, In The mean time Genl McCown was relieved at Island No 10 and sent to East Tennessee from there to Va. I have never met with The General since, have written to him but received no answer, was told by one of his Aids he thought The General had my Commission.

I have been acting as Capt & A. C. S. Ever since And am pleased to say that so far as I know I have given entire Satisfaction to all The Officers under whom I have served, In January last - You informed me that my Bond had never been received in Richmond, It so had been mislaid or lost, And advised me to make a new Bond and send it to Richmond which I did, The Bond was returned a few days since, saying they had no Record of my Appointment - at Richmond.

I also Enclosed papers to you last January
showing my appointment by Genl McCowan
also Orders from his Chief Commissary Major
P.J. Glaz, showing that I was recognized by him
as a Commissary, Asking that they be returned but
I have never received them, I have allways been
under the Impression that I was a Bonded Comm-
issary. Am very sorry I did not know it sooner as
it is not my wish or desire to be an Impaster
or remain in the Commissary Dept- without a Com-
mission, I have been in this Department for some
time, You have been acquainted with me, and
know something about my business Qualifications
If you think I deserve the Position, and am
needed in the Dept- You will please ask of the
War Dept- that I be appointed and Commissioned
as Capt & A.C.S. by giving Bond which I can
do at anytime- Will also state that I have
Received an Acknowledgements of my Reports
both Monthly & Quarterly from Richmond up

and acting as Chief Quartermaster
of the Brigade of Partisan Rangers
that I have the authority to raise

his successor should be appointed at once.

I would therefore recommend that

Letters Received
A & 130,

Richmond Va

22 January 1862

Colonel

I will require in Texas the purchase and transportation of cotton to the Mexican frontier, to be exchanged there for army supplies. These first slave business men are assistants.

I have the honor to suggest, as a matter of economy and better security to the government, that assistant & masters be given to me for this service, while they would be paid as officers receiving pay of Captains and content themselves as officers, I should not as citizens procure their services as mere agents for double the pay of Captains.

✓ For one of these positions I recommend that Mr. Charles H. Merritt be made out to me. He is a first class business man of sterling integrity and high character whose services would very much aid me in this undertaking. I enclose Eugene Litcher's recommendation to me in behalf of Mr. Merritt.

As to the others I may require in Texas, I might by proper authority to Genl. Magruder

commencing in 1861, the recommendation
of the system of public business in the event that it is
claimed necessary to have done so - not to have done so.

It will have a better economical and
efficiently to have had a system to assist me,
if they can be directed for a few more business men
in Texas, and I have to do so.

Very respectfully,

Yours all the way

There are something
appears to me. The station

in fact to the case then -
when the situation of the land
has temporarily increased to
Gen. Pillow. These officers
have decided to report to him
leading at the same time for

to the President here - Gen. Pil-

the field has placed at his
disposal to send him various
officers temporarily detached
or detached for better study and
education some including high
and with them he is directed
to be McCord's vigorously take

Gen. McCord's can be made by
the fact, but as I understand the
object was mainly to interest to
have the situation of the land
by the fact I did not think it
advisable to include him in

which by previous conference with

not expedient could effectively

Rev. Dr. A. J. Gordon

I have the honor to acknowledge your despatch
of the 9th Inst by Judge Merwin, with the accompanying documents.
Personally I know nothing of Judge Merwin's qualifications for the
position indicated in this despatch, but taking ^{it} for granted that
the proposed is satisfactory upon that subject, the only remaining point
to say, that an officer of talents & integrity and of energy, is much
needed to take charge of the Annapolis service of Miss.

I have never met with a more unscrupulous conviction in the
public mind of corruption in office, especially of Miss in regard
to the office, and I regret to state that the results of my efforts
to investigate the grounds of this public opinion, have been
to fix the same conviction upon my mind. My investigation
has elicited proofs abundantly establishing - but as there is
reason to believe there is much more behind, my
investigation is still going on. The result will be
reported to the Department Commandant or to you as
as soon as it is made through. I have an officer now
under orders on this duty, whose reports will enable
me to bring the whole matter to the attention of the Government.

The appointment of Lecky Merwin, showed your own
wishes, to take Command of the Pension Office in that
Service - who are nayors. I would have superseded these
Officers the moment I had reason to believe the necessity of
Columpton, to call for the facts, but I had no Officer to place in
charge of that Branch of the Service & I did not feel that
it was proper to report the Card until all the proofs were
gathered in hand. -

With great Respect

To His Excellency President Davis

Sir

I presented to the Secretary of War the paper signed by Gen Allen & B. L. Miller, with your kind endorsement commending me to an appointment as chief of the Conscription Department in the State of Miss. The Secretary of War replied that the Conscription Bureau in the States of Tenn, Ala. & Miss were under the immediate care of Gen. Pillow & that he would refer the application to him. The opportunity of my presenting it in person for the action of Gen. Pillow would be greatly delayed as his headquarters calls him through out those States with his Headquarters in a South-Georgia and then too I personally unknown to him & as are the gentlemen who have brought my name to your notice in this connection. If it be important that some change be made in the Conscription Department in Miss to bring into the Army the men resting there, I would be greatly pleased to know the decision of the Government so far as my name is connected with the appointment at an early day and if

was once a scout in the 1st U. S.

a few years in the regiment &
acquired a fine idea of dis-
cipline & duties of soldiers
He is brave & efficient & a good
tactician. I have never known
any of Major Messick's superi-
or officers speak of him ex-
cept in complimentary terms
& never heard of any of his
subordinates objecting to him
except upon the ground that
he was too rigid in requiring
them to perform their duties
which fact I think should
commend him in the highest
terms to the War Department.

General

In May 1862, the 11th Texas Cavalry Regt
then stationed at Corinth, Miss was reorganized
in obedience to General Orders from Army.
Maj. Gen. Capt. Jas. C. Burke was elected Colonel.
Capt. A. J. Nicholson, Lieut. Col and myself
Major of said Regiment.
Capt. Nicholson was, when elected, absent in Texas
and he remained away so great a length of time
that his name was stricken from the rolls, and
the position of Lieut. Col declared vacant.
The Col. commanding the Brigade at the time,
they ordered Capt. Jas. Bouras on duty as Lieut.
Colonel by reason of his having been the opposing
candidate for said office at the reorganization, and
had received the next largest number of votes
to Capt. Nicholson.

At the Battle of Murfreesboro in
December 1862, Colonel John C. Burke, and
the Regt was killed, when the command devolved
upon Lieut. Col. Bouras, who continued to command
until the 27th Oct. 1863, when he was also killed.

thus leaving the offices of Colonel and Lieut. Col.
both vacant.

By reason of these vacancies I became the Senior
Officer in said Regiment, as I hold a Commission
to rank as such from May 1st 1862. Owing to
the above mentioned casualties, and the fact
of my being the ranking and; in fact, the only
Field Officer in the Regiment, and having served
faithfully as Major of the same for more
than two years I claim the Colonelcy of the
Regiment.

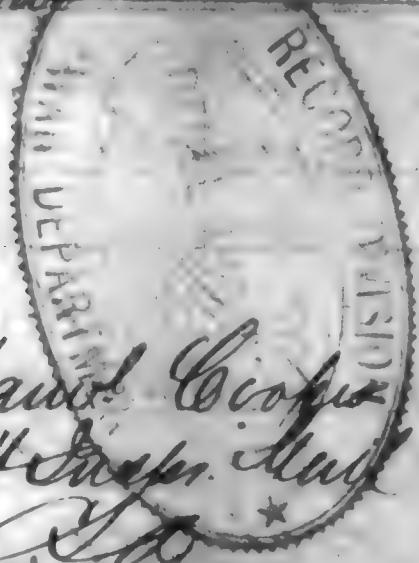

I refer the above statement to you and
respectfully request that a Commission be
issued me as Colonel of the 11th Texas Cavalry
to take rank as such from the date of above
vacancy. Hoping this may meet your early
attention.

RECORD DIVISION

11/18

Galles, Ga, March 17th 1864.

Genl.

In May 1862 the 11th Texas Cavalry Regiment was reorganized in obedience to a Genl Order from the Head Quarter Army of Mississippi. The order stated that the different Regiments should reorganize by electing all their Company and field officers the election to be held in accordance with the laws of the State from which the troops came. I was at the time Lieutenant Adjut of said Regt and became a candidate for Major of the same. I was duly elected receiving the largest number of votes then being four candidates for the office of Major. The Laws of Texas at that time require a plurality vote to make good an election and when the Regiment was reorganized upon its first entry into the Confederate Service the Lieut Col and Major were both elected by the plurality vote both declared duly elected and filled their respective positions as such until displaced by the reorganization in May 1862. Although we were duly elected as herein stated the Regimental Commander Col. Beaumont, decided to the contrary and ordered a second election which was accordingly held. This election was held in direct violation of the Genl Order mentioned above as said Order positively states that the election should be held according to the Laws of the State from which the troops came, and in obedience to that Order the election had been held and I had been duly elected Major of the 11th Texas Cavalry. At the second election ordered by

Col. Diamond and Henry Bone joined. Captain of the Regiment was
declared elected Major. I immediately sent up my protest contesting
the legality of the election and claiming the position myself. In the
meantime the said Bone was brought before the board of examiners and
by them rejected as incompetent to fill the position of Major. I then
was examined and ordered on duty as Major of the 11th Inf. Regt.
by Genl. Wm. K. Hobbs then Commanding Brigade without having
received a reply to my protest. I however understood that the follow-
ing reasons were given for my being ordered on duty.

I. I had been elected by the plurality vote which was according
to the laws of Ohio and in obedience to the Genl. Order therein named.

II. I had been recommended by two thirds of the former Officers
of the Regiment, as best suited for the position.

III. I had served for several years as a Non-Commissioned
Officer in the Army of the United States, previous to the present war.

In November 1862 I made a written statement of the facts connected with
my claim which I presented to the War Dept. and after an examination
of the records I was told by the U. S. Genl. that I must wait that notice
of my election or appointment had been received by my name being
on one of the Rosters as such being transferred from that of Capt.
to that of Major but the order could not be passed at the
time and I was told by the U. S. Genl. that he would refer the case
to Major Genl. McCorn Comdg. Division. I returned to my command
and continued to perform the duties of Major awaiting the action
of the proper authority. While the Army was encamped at Mansfield
Louisiana McCorn informed me that he had received my application for

Commission which had been referred to him by the War Dept, that
he had acted upon it and gave it to Genl. G. Smith Comdg Corps
who stated he would get me Commission for me and that I would have
no difficulty about it. Since then I have heard nothing of the application
which I made but have continued to perform the duties as Major of the
11th Tex. Cav. up to the present time. Supposing the War Dept, had acted
favorably upon them or I would have had an order relieving me from
duty in this. I had reason to think this from the fact of the long silence
and as none of the Officers in my Regt, had received a Commission I was one
only on duty as Major of the 11th Tex. Cav. by Genl. W. C. Cates on the
26th day of May 1863 and have served as such up to the present time
which fact I expect to establish by the Genl Officers ex. a. m. e. n. t. s. under
whom I have been serving. I have also drawn pay as Major up to the
31st July 1863. A short time since I presented my pay account for payment
and the Paymaster refused to pay, the same giving as a reason that there was
some difficulty about my appointment and as I had no Commission he
could not pay me. I am of the opinion that I am Major of the 11th Tex
Cavalry from the fact that I am the only person who has been recognized
as such by the Genl Officers under whom my Regt has been serving. And I have performed
the duties of said position faithfully up to the present time a period of near two years
I will further state that there is no other person who pretends to claim pay
or allowance as Major of the 11th Tex. Cav. I would respectfully call your
attention to the following in proof of my statements & the Laws of Texas governing
therein. 1st The Genl order for the reorganization of the Army of Mississippi the
No. of which I do not remember but I think it was issued between the
1st and 10th of May 1863 by Genl. Beauregard. I now respectfully

Dear Sir,

I have the honor to inform you that I am unable to attend to my duties in the office of the Secretary to the Board of Agriculture, & in consequence of an attack of influenza from which I have not entirely recovered since I joined the service at Cambridge. The expense, which has been unavoidable under the circumstances, has been so great that I can no longer do justice to my duties. I am now confined to my bed, and had to call on my friend Mr. Hall to take the responsibility for my care. Mr. Hall whom you may perhaps have known, and who is a relative, and one of the best physicians in our district, has said I should be some time to remain longer in bed, and advised me to apply for leave of absence for some days. I desire very much to leave my post at such a time, and would do so if only because I can do no longer assist to the work of the office. Mr. Simpson, who has been acting as my assistant, is so unwell that he has applied for leave of absence for twenty days. This makes the appointment of an assistant for the time being absolutely necessary.

~~Requisition~~ Requisition for Medical & Hospital Supplies
 Station Cahaba Ala. Period One Month
 From Nov. 1st to Dec. 1st 1864
 Dr. J. C. Palmer Surgeon Major O. Metcalfe
 No. of Patients 315. Attendants 27 Total 342

Articles & Characters or Quantities	Ordered	Wanted
Comforts	No. 150	150
Quinine Sulphate X 6 of 9	16	6
Pocket Case Instruments	No. 1	1

The Comforts were called for on previous Requisitions but were not furnished. While the Patients are now actually suffering for clothing for the beds this is occasioned by the increased capacity of the Hospital from 80 to 315.

The Quinine furnished is not adequate as most of the diseases prevalent require that particular medicine to treat successfully.

Alexandria, La.

General,

The Hon. Secretary of War has referred to this Bureau your letter of the 6th inst., stating that you have admitted Mr. John Mhoon, 1st Lieut. of Engineers, and requesting that a commission be issued to him with orders to report to you for duty.

The whole number of commissions, below the grade of field officer, authorized by law has been issued, and at present is now no vacancy. Should however the fact be organized a corps of engineer troops, and by the President's approval, a number of vacancies in the present corps will probably occur, in which case Mr. Mhoon's claims shall be duly considered.

I have the honor to be, General,

Very Respectfully,

Your Obedt. Servt.

J. F. Gilman

SNEAD PAPERS.

Major:

I have reports from but two of the Brigades showing that they have an average of 81 caps to the man. Requisitions are in the office calling for 130,000 musket caps, and there are only 134,000 in store. I suppose that the deficiency at the Arsenal is also very limited from the fact that just before Capt Kern left here he was ordered to return about 100,000 caps.

Major,

It becomes my duty in visiting from the Ordnance Department in obedience to orders received to day, to report the steps taken to supply the Division, and to show how far they have been successful.

Upon taking charge of the Department on the first of April, the weekly Reports sent from the Brigades to my office showed 1600 unarmed men and requisitions made at the same time required to be supplied nearly one half of all the equipments needed in the Command. I had many interviews with the District Chief of Ordnance in relation to the needy condition of the Division and was assured that First Army troops should receive the first supplies and equipments issued. This however, has not been the case, for ammunition, packed to fill my Requisitions, has been turned over to Genl Macmadubey Command, and I was informed, by order of the Lieut Genl Commanding the District.

In order to supply these many deficiencies I have had but one regular source - that of applying to the Chief of Ordnance. My position as Acting Ordnance Officer precluding any other that opportunity and energy might offer. - From this source I have obtained all the small arms, such as they are, that the Division require and have turned over to the Ordnance Officer 280 Stand. I have also been enabled to secure all the Cartridge Boxes, map Pouches and Waist Belts required. But a great many knapsacks are still to be supplied - the Ordnance Dept being unequal to the demand.

I have found it impossible to procure the ammunition required by the Division, but have succeeded in getting 90 rounds for men for the 3rd & 4th Brigades - having increased the ammunition of the 5th Brigade to 100 rounds per man.
